**BEACON TO BEACON GUIDES**  
**GOLD COAST BOAT HIRE 0790**  
New edition from the new publisher of this comprehensive guide to Queensland's coastal waterways between Tweed Heads and Yeppoon. Similar to a street directory, this guide provides easy to follow maps of South-East Queensland waterways and boat ramp locations. The maps are based on information provided by Maritime Safety Queensland and include important information like rules and regulations for boating and fishing in South East Queensland.

**SHANK: A RUTTER FOR ANCHORAGES IN TASMANIA’S SOUTHWEST**  
**JOHNSTON 77557**  
For anyone planning a cruise to the exposed south and west coast of Tasmania safety of those on-board is paramount and you need to do a substantial amount of planning and research prior to slipping your lines. The Shank provides detailed sketches and superb aerial photography of some great anchorages that people may not normally consider. In the right weather conditions these anchorages can now be more easily accessed and will add to the already unique experience cruising this magnificent coastline. Ian and Andrew have crafted a ‘Rutter’ that captures the absolute beauty of the rugged south and west coast with The Shank. This is an anchorage guide with a difference and complements those guides already available. A must have for anyone considering cruising from Recherche Bay to Port Davey and beyond to Macquarie Harbour.

**FOILING DINGHY BOOK**  
**HILLMAN 31712**  
This book, the first to be published on dinghy foiling, explains how foils work and how to foil in the International Moth, Wasp and F101. Anyone who can sail a fast planing dinghy like the Laser should be able to foil and this book takes you through the skills and techniques required. Alan Hillman has taught hundreds of sailors to foil, including some of the top names. Through this book his expertise is available to everyone and there is no excuse not to get up on the foils and fly!

**ENDEAVOUR: THE SHIP AND THE ATTITUDE THAT CHANGED THE WORLD**  
**MOORE 2714**  
No one has ever told Endeavour’s complete story before. Peter Moore sets out to explore the different lives of this remarkable ship, from the acorn that grew into the oak that made her, to her rich and complex legacy. According to Charles Darwin, she helped Cook add a hemisphere to the civilised world. NASA named a space shuttle after her. To others she would be a toxic symbol, responsible for the dispossession of the oldest continuous human society and the disruption of many others.
